

Visitor information

on hygienic concept for the Alliance Days 2021

Our Alliance Days will take place under strict framework conditions on COVID-19 for the protection of all participants. All visitors, irrespective of the incidence, are obliged to self-disclosure, the presentation of a negative test¹ certificate or the recovery status as well as the wearing of a mask².

Please note the following admission requirements:

1. You provide at least proof of
 - a) a complete vaccination from the 15th day after the second vaccination,
 - b) recovery from a COVID-19 illness lasting no longer than 180 days and not less than 28 days ago; or
 - c) a negative PCR test carried out not more than 48 hours ago
2. Your contact details (surname, first name, address, telephone number and email address) will be registered and stored for 4 weeks. The data is stored in accordance with the requirements of the GDPR and is used exclusively to comply with the COVID measures.
3. During your visit you undertake to wear a protective mask (FFP2 or medical mask).

Please note that the official Corona rules apply to our event. Please check the current regulations before your visit.

HYGIENE AND BEHAVIOURAL RULES

REGISTRATION MANDATORY

In order to guarantee you access to the Alliance Days attendance days, it is necessary to register your visit in advance. Registration is required to meet the requirements of the health authorities and to regulate the number of visitors to the event.

SAFETY DISTANCE

During the whole event we kindly ask you to keep the minimum distance of 1.5 meters and to avoid crowds.

WEAR MOUTH AND NOSE MASKS

For all visitors, masks are mandatory during the entire Alliance Days, inside buildings and everywhere where the minimum distance of 1.5 meters cannot be kept. Only the wearing of medical masks, such as FFP2 and so-called "surgical masks" is permitted.

CHECK-IN & CHECK-OUT

Please register at our reception before entering the event and also inform them when you leave the event. This is necessary in order not to exceed the permitted number of visitors.

DISINFECTION DISPENSERS & CLEANING

We set up disinfection dispensers at all essential locations on the site. Surfaces that are regularly touched (e.g. counters, tables, handrails) are regularly cleaned by specialist staff.
